This high, dry land offers unobstructed mountain views and is zoned Country Residential—ideal for future development, a dream home, or hobby farm. Improvements include an older 14' x 64' mobile home with 11' x 24' addition, covered front porch, rear deck, 20' x 26' barn with stalls, corrals, outbuildings, and automatic waterer. Services in place: well with updated pump and pressure tank (2009), hot water tank (2000), and high-efficiency furnace (2019). Located near De Havilland Field, a major aircraft manufacturing facility in Wheatland County, and the Prairie Economic Gateway, a multi-billion-dollar trade and logistics corridor. A rare investment opportunity with strong future potential.
