With three bedrooms and two-and-a-half bathrooms, this residence combines comfort, functionality, and contemporary style. At the heart of the home, the stunning central kitchen is designed with granite countertops, a large island, gas range, built-in microwave, and generous cabinetry. Additional features include central air conditioning, an electric fireplace, and solar panels, blending everyday comfort with energy efficiency. The property also provides a double attached garage, driveway parking for two additional vehicles, and a beautifully landscaped front yard located across from the
