Welcome to the Pierce 2 – a beautifully designed home built by a trusted builder. This home showcases on-trend, designer-curated interior selections tailored for a home that feels personalized to you. This energy-efficient home is Built Green certified and includes triple-pane windows, a high-efficiency furnace, and a solar chase for a solar-ready setup. With blower door testing, plus an electric car charger rough-in, it’s designed for sustainable, future-forward living. Featuring a full range of smart home technology, this home includes a programmable thermostat, ring camera doorbell, smart front door lock, smart and motion-activated switches—all seamlessly controlled via an Amazon Alexa touchscreen hub. The main floor offers a flex room with a full bath and walk-in shower, an executive kitchen with built-in stainless steel appliances, gas cooktop, and fridge with water & ice dispenser, plus a spice kitchen with gas range and pantry shelving. The great room is highlighted by an electric fireplace with a maple mantle and floor-to-ceiling tile. Upstairs, enjoy a vaulted ceiling in the bonus room, two stunning primary bedrooms, and a spa-inspired 5-piece ensuite with a tiled shower and soaker tub. Additional bedrooms share a dual-sink bathroom with a convenient Jack & Jill layout. Extra windows throughout provide abundant natural light.
