Welcome to the Bennett – a thoughtfully designed home combining luxury, comfort, and functionality. Built by a trusted builder with over 70 years of experience, this home showcases on-trend, designer-curated interior selections tailored for a home that feels personalized to you. This energy-efficient home is Built Green certified and includes triple-pane windows, a high-efficiency furnace, and a solar chase for a solar-ready setup. With blower door testing that may be eligible for up to 25% mortgage insurance savings, plus an electric car charger rough-in, it’s designed for sustainable, future-forward living. Featuring a full package of smart home technology, this home includes a programmable thermostat, ring camera doorbell, smart front door lock, smart and motion-activated switches—all seamlessly controlled via an Amazon Alexa touchscreen hub. Enjoy the convenience of a side entrance and a main floor bedroom with a full bath and walk-in shower. The main kitchen features stainless steel appliances and a chimney hood fan, complemented by a spice kitchen with gas range and pantry. The open-to-above great room showcases a floor-to-ceiling tiled electric fireplace, while the rear deck offers outdoor living space. Upstairs, a vaulted ceiling in the bonus room adds charm, and the spacious 5-piece ensuite includes a walk-in shower and soaker tub. Extra windows throughout fill the home with natural light. Photos are representative.
