This beautiful home boasts over 2600sf of living space with many updates, plus a uniquely large, south facing, back/side yard and a highly prized bonus room (with a bathroom) above the alley-facing garage; this spectacular inner-city infill offers an incredible value proposition. Recent updates include a newer kitchen, newer primary ensuite, newer carpet and brand new paint. The basement is combination of family room and a hockey player's dream space, a custom shooting and development area. The outdoor living space features a well maintained yard, front porch, side deck and rear deck with BBQ gas line. Additionally, the community is very close to several restaurant and shopping options as well as many of Calgary's best private, public and charter schools.
