Welcome to the Bennett. Built by a trusted builder with over 70 years of experience, this home showcases on-trend, designer-curated interior selections tailored for a home that feels personalized to you. Energy efficient and smart home features, plus moving concierge services included. The executive kitchen is a chef's dream, featuring built-in stainless steel appliances, a chimney hood fan, gas cooktop, and a stunning waterfall island with pendant lighting. The matte black faucet and two-tone cabinetry add a sophisticated touch. Enjoy the convenience of a side entrance, a 9' basement with two windows, and a BBQ gasline for outdoor entertaining. The 5-piece ensuite is an oasis, complete with a tiled shower and niche. Inside, find a cozy gas fireplace with an open to above ceiling in the great room, a barn door leading to a flex room, and stylish paint-grade railing with iron spindles. Walk-in closets in every bedroom and a mudroom with bench and coat racks make everyday life a breeze. This energy-efficient home is Built Green certified and includes triple-pane windows, a high-efficiency furnace, and a solar chase for a solar-ready setup. With blower door testing that can offer up to 25% mortgage insurance savings, plus an electric car charger rough-in, it's designed for sustainable, future-forward living. Featuring a full array of smart home technology, this home includes a programmable thermostat, ring camera doorbell, smart front door lock, smart and motion-activated switches—all seamlessly controlled via an Amazon Alexa touchscreen hub.
