Completing the main level are a private den with dual sliding pocket doors, a powder room, a front foyer, and a mudroom with built-ins. Upstairs, the primary bedroom impresses with double door entry, southwest-facing windows, a spacious walk-in closet, and a spa-like 5-piece ensuite with soaker tub, oversized glass shower with bench, dual sinks, and a private water closet. Two additional bedrooms, a central bonus room with a tray ceiling, upper laundry with linen storage and direct access to the primary closet, and a 4-piece main bath complete this floor. The unspoiled lower level includes a bathroom rough-in and awaits your personal design. Notable upgrades include central A/C, water softener, central vacuum system, Gemstone exterior lighting, and recently replaced shingles and siding. The fully landscaped backyard backs onto a green space and pathway, creating a private, low-maintenance retreat complete with a deck, stone patio, fire pit, shed, raised garden beds, and plenty of room for children or pets to play.
