Welcome to this beautifully maintained home in the heart of Cranston, ideally located on a quiet crescent just steps from Fish Creek Park (and, Cranston's Escarpment View Point). The main floor offers an inviting open-concept layout that feels both bright and cozy. The living room features a central fireplace framed by oversized windows, while the kitchen is designed for entertaining with a large island, abundant cabinetry and pantry area, and an adjacent dining area. The fully developed basement expands your living space with a versatile rec/play room, an additional bedroom, and a full bath, with an extra pantry and a large laundry and storage areas, and even a reading nook. Upstairs you'll find three spacious bedrooms, including the primary retreat with a generous walk-in closet and a bright ensuite featuring an extended vanity and walk-in shower. A huge bonus room with large south-facing windows creates the perfect family gathering and/or office space filled with natural light, next to a hide-away desk area for enjoying some leisure time. Step outside to the stunning landscaped yard, complete with fruit trees and shrubs (pear, plum, cherry, apple, saskatoon and haskap berries, and strawberries), and a charming cedar shed — an ideal spot for hobbies or storage, and take a minute to relax on the composite deck! The oversized garage provides plenty of room for two full sized vehicles and extra storage. This home is perfectly positioned near schools, shopping, and all the amenities of Cranston including the many amenities offered by the HOA, with quick access to Stoney and Deerfoot Trails for effortless commuting. And of course, Fish Creek Park is right at your doorstep — perfect for walking, biking, and connecting with nature. Pride of ownership shines throughout, with only one owner since new. Don't miss this rare opportunity to

own an immaculate family home in one of Calgary’s most sought-after communities!
