Welcome to the Damon — where luxury meets functionality in every detail! Built by a trusted builder with over 70 years of experience, this home showcases on-trend, designer-curated interior selections tailored for a home that feels personalized to you. Energy efficient and smart home features, plus moving concierge services included in each home. This stunning home features an executive kitchen with built-in stainless-steel appliances, a gas cooktop, waterfall island edge, and elegant pendant lighting, complemented by a fully equipped spice kitchen with its own gas range and additional pantry space. Enjoy added convenience with a mudroom, upper floor laundry with a quartz counter above, and a 9' basement ceiling. Unwind in the vaulted bonus room with balcony access or cozy up to the tiled electric fireplace in the great room. Bathrooms boast quartz counters, and a spa-like 5-piece ensuite with soaker tub and tiled walk-in shower. Complete with BBQ gas line, paint-grade railings, tray ceiling in the primary bedroom and extra windows for natural light, the Damon is your dream home. This energy-efficient home is Built Green certified and includes triple-pane windows, a high-efficiency furnace, and a solar chase for a solar-ready setup. With blower door testing that can may be eligible for up to 25% mortgage insurance savings, plus an electric car charger rough-in, it's designed for sustainable, future-forward living. Featuring smart home technology, this home includes a programmable thermostat, ring camera doorbell, smart front door lock, smart and motion-activated switches—all seamlessly controlled via an Amazon Alexa touchscreen hub.
