Luxury Walkout Home Backing Onto a Pond & Steps From School, Park & Shops! Prepare to be impressed by this beautifully designed 2725 SQFT walkout home, perfectly situated on a large lot backing onto a serene pond and lush green path and across from East Lake School. With a thoughtful layout, elegant finishes, and a family-friendly location, this home strikes the perfect balance between luxury and comfort. From the moment you walk in, you'll notice the attention to detail everywhere & from the spacious tiled foyer to the 9-foot knockdown ceilings and rich hardwood floors that flow throughout the main level. French doors open to a bright main floor den, ideal for your home office or study. At the heart of the home is a chef's kitchen designed to impress. Featuring custom two-tone cabinetry, granite countertops, a large central island with seating, and stainless steel appliances, including a gas range and professional hood fan, this kitchen is both beautiful and functional. The glass-front cabinets and walk-in pantry complete the space with flair. From the dining area, step out onto your massive vinyl deck with glass railings, where you can take in peaceful pond views & the perfect setting for morning coffee or sunsets. The stairs lead to a fully landscaped backyard, offering plenty of space for kids and pets to play. Upstairs, you'll find four spacious bedrooms, including a luxurious primary suite with vaulted ceilings and picturesque pond views. The spa-inspired ensuite includes double granite vanities, a large soaker tub, a separate shower, and heated tile floors (also found in every bathroom!). A bonus room and stylish 5-piece main bath complete the upper level & perfect for family movie nights or a homework zone. No carpet anywhere & just elegant hardwood, tile and vinyl plank throughout, combining luxury style with

easy upkeep. The fully finished walkout basement extends your living space with a bright family room, recreation area with a wet bar, 5th bedroom, and full bath — with potential for a 6th bedroom if desired. Oversized windows bring in natural light and connect you to your private backyard retreat. This home is thoughtfully equipped with energy-efficient solar panels, reducing monthly utility costs while contributing to a more sustainable future. Additional highlights include a finished double garage and enclosed storage under the deck.
