This stunning modern 2 storey home offers a perfect blend of style and functionality with an open-concept main floor designed for today's living. The heart of the home is a bright white kitchen featuring a large island with quartz countertops, sleek cabinetry, and a spacious eating area that flows into the inviting living room with a contemporary electric fireplace. A flexible additional room on the main floor is perfect for a formal dining space or home office. Upstairs, you'll find 4 spacious bedrooms, including a luxurious primary suite complete with a 5-piece ensuite and walk-in closet. A bonus room provides extra family space, and the convenient laundry room with sink makes daily chores a breeze. The developed lower level includes an illegal suite with a separate entrance — featuring an additional bedroom, full kitchen, 3-piece bath, laundry, and a generous rec room — ideal for extended family or guests. Perfect opportunity to run a business here as well! Step outside to enjoy the sunny backyard with a deck and swimming pool — and yes, the pool can stay! This home truly has it all — space, versatility, and modern appeal.
