Welcome to The Bennett by Sterling Homes Calgary. Built by an experienced builder with over 70 years of home-building history, this thoughtfully designed home offers modern finishes and functional living spaces. The main floor includes a flex room with double French doors and an open-to-above great room featuring an electric fireplace and large windows offering natural light. The kitchen is equipped with built-in stainless steel appliances, a gas cooktop, waterfall-edge island, and walk-in pantry. A rear deck with BBQ gas line rough-in extends the living space outdoors. Upstairs, all bedrooms include walk-in closets, and the 5-piece ensuite offers a soaker tub and tiled shower. This Built Green-certified home includes triple-pane windows, a high-efficiency furnace, a solar chase for future panels, and an electric-vehicle charging rough-in. Smart-home features include a programmable thermostat, doorbell camera, smart front-door lock, and motion-activated lighting—all connected through a central smart-home hub. Photos are representative.
