Welcome to the Denali 4 – Where Luxury Meets Function! Built by a trusted builder with over 70 years of experience, this home showcases on-trend, designer-curated interior selections tailored for a home that feels personalized to you. Energy efficient and smart home features, plus moving concierge services included in each home. This stunning home features a kitchen with stainless steel appliances, chimney hood fan and a spice kitchen with a gas range. Enjoy a main floor bedroom with full bath, plus a side entrance and 9' basement ceilings for future potential. Relax in the 5-piece ensuite with dual sinks, soaker tub, and tiled shower with barn-style glass door. Extras include an electric fireplace with wall tile, vaulted bonus room ceiling, quartz countertops and a rear 11'6" x 10' deck on a large corner lot facing a park. Extra windows throughout complete the package! Photos are representative.
