OPEN HOUSE SATURDAY NOVEMBER 8 12:00-2:00PM Welcome to 114 Robichaud Street, a beautifully updated home on an 8,450 sq. ft. lot in the heart of Thickwood. Perfectly tucked away off Timberline Drive, this property backs onto no neighbours, offering peace and privacy while still being close to walking trails, shopping, restaurants, and more. This home has seen extensive renovations and updates throughout. The curb appeal is impressive with updated shingles (2022), newer siding (2016), and a large driveway with room for multiple vehicles or RV parking. The oversized detached garage (21'5" x 25'7") includes an additional built on storage or workshop space (21'5" x 12'3"). Inside, you're greeted by a bright front living room with large windows and plenty of natural light. The home has been freshly painted in neutral tones, creating a modern and inviting feel. The dining area flows into a renovated kitchen featuring white cabinetry, new countertops and backsplash (2025), a brand new microwave, and a window overlooking the spacious backyard; perfect for keeping an eye on the kids or simply enjoying the view. The main floor offers three bedrooms, including a primary suite with a renovated 2 piece ensuite, plus a full 4 piece renovated main bathroom (both main floor baths finished with infloor heat) . The basement was newly developed in 2025, adding valuable living space with a large rec room ideal for family gatherings, a fourth bedroom, a storage room, and another beautifully finished full bathroom. Additional updates include a furnace (approx. 15 years), AC (less than 10 years), water tank (less than 5 years), and a water softener (5+ years). Step outside to your massive, private backyard with no rear neighbours; a rare find in such a central location. With its long list of updates, quiet location, and move in ready condition, 114 Robichaud Street is a home you

won't want to miss!
