Open House Sunday 1:00-3:00 Two Bonus Rooms. Endless Possibilities. From home office to movie nights to a private retreat for extended family—this beautifully upgraded home flexes with your lifestyle. QUICK POSSESSION! Enjoy no neighbours behind for extra privacy, a layout perfect for multigenerational living, home-based work, or growing families, and allergy-friendly maple hardwood on two levels. Comfort and style shine with central air conditioning, modern lighting, and custom blinds. The chef’s kitchen impresses with full-height dark maple cabinetry, white quartz countertops, stainless steel pulls, glass tile backsplash, and an eat-up island with built-in wine rack. The open-concept family room features a white tile gas fireplace and built-in shelving for a warm, inviting space. Over the garage, a versatile bonus room can serve as a main-floor bedroom, private movie room, teen hangout, home office, or dance studio. The fully updated basement (2023) offers a guest bedroom, modern 3-piece bath, a large flex area ideal for media or extended family use. Upstairs, the primary suite is a true retreat with vaulted ceilings, picture windows, dual sinks, a corner soaker tub, glass tile shower, & walk-in closet. Two more bedrooms sit next to a full bath, while the large vaulted family room offers a stunning wall of windows—convertible to a second primary suite if desired. Additional updates: elongated dual-flush toilets, upgraded faucets, newer washer/dryer, a new roof (Nov 2024), 1-year-old hot water tank. Located minutes from Beacon Hill’s shopping, dining, & conveniences like Costco, Starbucks, and Home Depot, this home delivers outstanding functionality, space, and style in a fantastic location. Enjoy a peaceful yard with NO NEIGHBORS BEHIND & a deck with a gas line for BBQ.
